MERCHANDISE

Our recordings are an important extension of our ministry. Also, part of our support for this ministry comes by offering these and other related ministry materials for sale after the service. This part of our ministry will be briefly mentioned during the service.

We will need One (1) 6' table. Placed in a well lit area near the main entrance for merchandise sales as well as one more smaller table placed behind to serve as a work surface for the merchandisers. Also needed are at least two (2) responsible adults to sell the merchandise. One person should have cash handling experience. Both volunteers will need to meet with Rebekah 30 minutes before doors open. Merchandise will be available prior to the event and all of the sellers will be needed for about 45 minutes after the event to help pack the product and displays and count out. We will need access to wireless internet if available. Please have the wireless passcode available on the day of event.

SONG LIST

Please include or email a list of current worship songs your church sings. Usually the previous 6 (Six) weeks will be fine. You can email this list to brad@bradandrebekahmusic.com.
