

Without You

Key – G

Words and Music Brad & Rebekah Bichsel, Joshua Silverberg, Markus Huber

Verse 1

Just like the desert needs the rain
My life's a shoreline ready for waves
Just like a fire burns with flame
Is how my heart beats for Your name

Chorus

Where would I be without You
Where would I be without You
Where would I be without You
Without Your love

Verse 2

Just the like the sunset needs the sky
Where all of the colors come alive
Just like a deep breath fills my lungs
Is how my soul longs for Your love

Chorus 2

Where would I be without You
Where would I be without You
Where would I be without You
Without Your love
I cannot live without You
I cannot live without You
I cannot live without You
