VERSE 1

Love, joy and peace
Kindness will never cease
The things of God

Compassion for the lost
The widow and the orphaned one
To love like you loved

We are seeking after You

We long for something more
You're spirit leads us on
Into the things of God
Your passions our command
As we run by Your hand
Into the things of God

Faith, truth and hope
Forgiveness to let go
For the things of God

The broken and the weak
For those we often fail to see
To love like You loved

We are running after You
Running after You

We long for You
We long for You
The things of God

We are seeking after You
Seeking after You
